

# I-SPY . . .

## A GREAT TRAVEL GAME

It's one hour before you stop for a delicious meal at WesterN SizzliN. See how many of the things listed below you can *spy* along the highway. There are two ways to play . . . *The Official Way* . . . each time you see one of the things on the list, you ask someone else to confirm that they saw it too – this can be an adult, or another player. *The Super Secret Silent Way* . . . this is the most fun. You just check off the things as you see them and you **don't tell anyone what you've found.**

The game ends when you enter the WesterN SizzliN parking lot. You can make up your own prize for the winner – the winner orders first, or goes to the dessert bar first – we suggest you let the adults name the prize.
