Once upon a time Oink the Pig, Cluck the Chicken and MOO, the famous WesterN SizzliN Cow, were traveling to \_\_\_\_\_, to attend the wedding of their friends, \_\_\_\_\_ and \_\_\_\_\_.

“We’ve been walking for \_\_\_\_\_ miles,” said Oink, “my \_\_\_\_\_ are killing me.” “Complain, complain,” said Cluck, “if you had my \_\_\_\_\_, then you could say you were really \_\_\_\_\_!” “YOOOOOOOU are both a couple of \_\_\_\_\_,” bellowed MOO, “it is a beautiful day and we have plenty of \_\_\_\_\_ and \_\_\_\_\_.

Let’s be \_\_\_\_\_ and enjoy our journey.”

So the three continued until they came upon an abandoned \_\_\_\_\_.

“Oh let’s ride this to town,” said Oink, “everyone will think we’re \_\_\_\_\_.” “I agree,” said Cluck, “with this we can ride in \_\_\_\_\_.” MOO was suspicious. He had heard of \_\_\_\_\_ that leave this kind of \_\_\_\_\_ along the roadways, just hoping to trick lazy travelers. “Well all right,” said Moo, “but Oink should \_\_\_\_\_, Cluck should watch the \_\_\_\_\_ and I’ll ride in the back to keep a \_\_\_\_\_ out for \_\_\_\_\_.”

Well they hadn't gone very far at all when a giant \_\_\_\_\_, with really bad  
(a big person or animal)

\_\_\_\_\_ jumped out of the \_\_\_\_\_ next to the road and stop them with a  
(something in your mouth) (a kind of plant - plural)

\_\_\_\_\_. "You are all my prisoners," said the bandit. "Hand over your \_\_\_\_\_  
(a kind of weapon) (things you love)

and your \_\_\_\_\_. You won't need them in \_\_\_\_\_ anyway."  
(things you hate) (a bad place)

MOO whispered to the other two, "Pretend to go along with what he asks. I'll sneak around behind him and

\_\_\_\_\_ him right on the \_\_\_\_\_. Then we can all  
(an action word) (a "nice" body part)

\_\_\_\_\_."  
(another action word)

So Oink and Cluck handed over their \_\_\_\_\_ and MOO snuck around behind the  
(another thing you like)

\_\_\_\_\_ and \_\_\_\_\_ him right on the \_\_\_\_\_.  
(another name for a bad guy) (action word) (another "nice" body part)

The bandit \_\_\_\_\_ away and the three friends were safe. "Well," said MOO, "let's get on our way  
(action word)

and not look for another easy way to get where we are going." "You are \_\_\_\_\_," cheered  
(another compliment)

Oink and Cluck, "It's better to take the \_\_\_\_\_ way and stay on the right \_\_\_\_\_."  
(a word for difficult) (a kind of road)

So the three friends went on their way and they lived \_\_\_\_\_ ever after.  
(a feeling + ly)

The \_\_\_\_\_.
